Norton Short Roadholder Forks (1966 to 1968) Part number 03.1642

Andover Norton can supply all new parts to build Short Roadholder forks. The main list below applies to late Dominator and Atlas models fitted with steel spring covers. Gaiters and/or longer stanchions are available for the G15 & N15 hybrids. We can supply complete Short Roadholder forks (part no. 03.1642), or provide the parts in component form.
